Welcome MESSAGE

Dear International Visitor,

Welcome to the American Food Fair! The National Association of State Departments of Agriculture is pleased to sponsor the AFF pavilion at the NRA Show for the tenth consecutive year. We're proud to be a partner in this world class event for one of the most important and fastest growing sectors — foodservice — in the global food industry.

The economic importance of the domestic foodservice industry cannot be overstated. Rapid growth in foodservice operations around the world is helping make International trade more important than ever to the global food and agriculture industries. As a trade partner, we welcome your interest and your business.

While you are working the show, we hope that you will have time to enjoy a break and stay connected using the facilities at the International Trade Center. Located on the mezzanine level of the North Hall, the International Trade Center is a great place to rest your feet, wake up with some coffee, or check your e-mail.

Please let us know if we can offer you additional assistance during your visit to the show. Please accept our best wishes for a profitable visit to the NRA Show and an enjoyable time in Chicago. We hope to see you again soon.

Sincerely,

A handwritten signature in black ink that reads "Stephen Haterius". The signature is written in a cursive, flowing style.
